2003 Screaming Eagle Cabernet Sauvignon

Become the proud collector of a bottle of 2003 Screaming Eagle Cabernet Sauvignon!

The 2003 has been in bottle for over two years and continues to be a beautiful wine, dense ruby/purple in color with wonderful purity of creme de cassis. It is that black currant liqueur purity, richness, and depth that is one of the shining characteristics of this wine. Extraordinarily pure, the wine is full-bodied, opulent, and concentrated, but still young and primary. There is plenty of tannin underlying the wealth of fruit and, if anything, the wine seems to have firmed up since I had it last year.
